When they saw an alternate solution to a traditional business they knew it may be an opportunity to get financial security for the family. They started building the business with enthusiasm and today they know, it was a perfect decision.

Success is a result of their persistent efforts – today they have a lifestyle far beyond their youth dreams and, which is even more important, they helped a lot of others to reach their life goals. Today their business is dynamically growing not only in Poland or Europe but all over the world.

“Gratitude is the key to happiness and success”

## ELENA NEMTSOVA -

Diamond from Russia

**Elena Nemtsova** was born in Chelyabinsk. She graduated from the financial academy named after G. V. Plekhanov. She is bringing up her daughter Polina and her son Cesar. When she first saw the opportunity of Amway business she was a chief manager and co-owner of a brewery. Her sponsor-parents recommended her to attend a seminar held by Network 21.

There she could see people inspired by a mutual idea, happy with building Amway business together and with helping each other achieve the goals. Then Elena decided to start a new business at the same time keeping her traditional business. She kept doing it until the incomes became equal. As the result she made a decision to give up her job at the brewery and devote herself to Amway business. By the time of her second seminar she had a team to bring there with her. Her sponsors, her parents – Founder Double Diamonds Natalia Nemidova and Sergey Beskrovny, taught her to value every partner and never give way to doubt in his success. The whole upline had a very positive influence showing the way to build the business effectively.

The greatest value of the business is forming a team of successful leaders. Elena's mission is to surround her family and herself with a society of spiritually rich and well-off people with a positive approach and willingness to make dreams come true.

We will have many Emeralds, Founders Emeralds and Diamonds at this event, who will share their wisdom and knowledge from the stage.
