Riga 22 – 24 May 2015

«Success is never final, mistake is never fatal, and its only courage that matters».

Members of Founders Council (an organization of Amway highest achieving IBO's throughout the world) from 2008, Igor and Valeriya Kharatin were teachers at a school in the past. Their life changed cardinally when they began to build Amway business. Igor and Valeriya has built a huge international business and created united team. Leaders of world scale, they are happy that they have achieved such success, but most of all, they are proud of success of their partners. Within the education system of Network 21, Igor and Valeriya, and

tens of leaders from their team, share their experience, inspire and teach people how to build business all over the world. Igor and Valeriya are sure that success is a product of joint efforts. Honesty in relations, possibility to learn and teach the others how to achieve set goals, make a team strong and united. In life as well as in business, a motto of Igor and Valeriya Kharatin is a saying of Sir. Winston Churchill: "Success is not final, failure is not fatal: it is the courage to continue that counts."
